

THE TAURI GROUP

We Do What is Right for the Program, the Mission, and the Nation.

Established in 2001, The Tauri Group is a professional services firm known for our analytic rigor, practical solutions, and trusted advice in the areas of CBRN threat mitigation, defense S&T, homeland security, and adjacent domains. We offer the financial stability and breadth of capability of a large company coupled with the corporate commitment and attention of a small firm. Our subject matter expertise, determination, agility, and commitment to active and ongoing client and stakeholder engagement enable us to solve tough problems and deliver results-oriented solutions that help our customers achieve mission success.

What We Do

We tackle our clients' most challenging problems by combining analytical rigor with world-class expertise and relevant operational experience.

- **Conduct comprehensive analyses** and recommend sensible solutions
- **Engineer systems** to maximize operational effectiveness and efficiencies
- **Manage complex programs** to deliver integrated capabilities on time and within budget
- **Provide technical advice** in a range of specialties
- **Develop strategy** to tackle challenging problems
- **Support business & acquisition management** to deliver integrated products and services
- **Coordinate policy, capabilities, & operations** within enterprises and across jurisdictions
- **Deliver data management, analytic, & visualization capabilities** to inform decision-making
